

Introduction - 2/12/2023

Welcome to Zluqe, a free Discord bot hosting service (the "Service"). The Service is provided by Zluqe and this privacy policy (the "Policy") describes how we collect, use, and disclose personal information in connection with the Service.

Information We Collect

We may collect information that can be used to identify an individual, such as name, email address, and IP address, when you create an account or use the Service. We may also collect information about your usage of the Service, such as the date and time you access the Service and Information of what programming languages you are using.

Use of Information

We use the information we collect to provide, operate, and improve the Service. We may also use the information to communicate with you, such as to send you updates, security alerts, and support and administrative messages.

Disclosure of Information

We may disclose information that we collect in the following circumstances:

- To comply with legal obligations, such as to respond to a subpoena or court order.
- To protect the rights, property, or safety of us or others, such as to enforce our terms of service or to prevent fraud or illegal activities.
- To a third party in connection with the sale, assignment, or other transfer of our business or assets.

Security

We take reasonable measures to protect the information we collect from loss, theft, misuse, and unauthorized access, disclosure, alteration, and destruction. However, no security measures are perfect or impenetrable and we cannot guarantee the security of your information.

Script Scanning for Prohibited Content:

We have implemented a script that scans for specific keywords and imports that are prohibited on our server. The script will run automatically every time the server starts up and will scan every file. However, no human or person will review the scanned files, and we will not store any file data or information.

Please note that this script is used solely for the purpose of ensuring compliance with our terms of service and the protection of our server and the information we collect. By using our service, you agree to the use of this script and its scans.

Changes to this Policy

We may update this Policy from time to time. If we make changes, we will notify you by revising the date at the top of the Policy and, in some cases, provide you with additional notice (such as adding a statement to our homepage or sending you an email notification). We encourage you to review the Policy periodically to stay informed about our information practices and the ways you
